PRESIDENTS MESSAGE

Hi Friends,

I am pleased to say the Al Stirt demonstration and workshop was a huge success. We had an excellent turnout of members from our own GBWG, the Golden Horseshoe Club and the Thames Valley group to the Saturday event. Our deep gratitude goes to everyone who helped make this workshop happen because without them it would have been difficult if not impossible. A special thanks to Al for giving us an inspiring demonstration of his artistic skills. Visit our web site for photos and coverage of the event.

Our first annual yard sale of

woodworking items and tools is scheduled for May 22. Please! If you have anything to donate to the cause; books, magazines, old tools, wood, even your turnings, whatever...bring them out to the next meeting and we'll be happy to find a new home for them. Call Phil Armstrong at 368-5350 for details.

This month's meeting is featuring John Calver of the London Club who will demonstrate a homemade jig for routing rims to which he adds a contrasting wood as decoration. See you there,
Marilyn
