## **FIRST ANNUAL GBWG YARD SALE GREAT SUCCESS**

The first annual GBWG yard sale held on Saturday, May 22nd was a tremendous success and definitely exceeded our expectations as more than \$300 was generated to help fund GBWG activities . We wish to thank everyone who donated goods for this event. A special thanks goes to Jeff Parsons and Phil Armstrong for all their efforts in organizing, pricing the goods and manning the event. All goods left over from the sale were sorted, into items that could be advertised on the web site, while the remainder were donated to charity.

### **CHRIS STOTT DEMO CANCELLED**

It was regrettable that the Chris Stott demo scheduled for Saturday, June 12<sup>th</sup> had to be cancelled .

Unfortunately, not enough interest was expressed by the membership to attend this demo. Sadly, the membership missed a great opportunity to see and learn from a very talented turner. We do not have these opportunities like these come our way often, and we as a club should make a greater effort to take advantage of this in the future.
