SOUTHAMPTON ART SCHOOL GREAT SUCCESS!!

Thank you so much to all the members who came to Southampton. Without special people, as yourselves, this wonderful project could not have happened. Giving of your time and expertise was greatly appreciated by adult students, as well as the children we taught and their parents.

I have made a short DVD which we can view at the next meeting. The look on the students faces says it all!

Inside this issue:

Southampton Art School	1
Welbeck Wood Show	1

Kincardine Open House	2
Plowing Match	2
Upcoming meetings	2

WELBECK WOOD EXPO

Another great year at Welbeck!! Once again, our regulars took time from their busy schedules to set up and run the booth for our group. Welbeck give us our booth in exchange for putting on two demos during the day at their demo station. Saturday morning Tom Wharrick showed the spectators how to turn a very large spindle turning. In the afternoon Ron Stewart turned a maple bowl and Jake Kononiuk kept the audience entertained while explaining the methods Ron was using to complete the bowl.

Once again, we had a very good response from visitors to the Expo.

OPEN HOUSE AT KINCARDINE

Four members managed to make it out for this Open House. There was a very good response from both residents of Kincardine and tourists visiting the area. A few visitors showed interest in coming out to our meetings with the intent of joining our wonderful group of turners. Please take a moment and introduce yourselves to any new faces in the next couple of months. Hopefully the next Open House will be at a time when more members can participate!

PLOWING MATCH

Date: September 16-20th
Contact: Ron Stewart

Ron will need to finalize the arrangements for this event during the August 16th meeting. If you have volunteered to help out during this event please confirm the times you are available with Ron. Please give him a call if you will not be at the meeting.

UPCOMING MEETINGS

- August 16th Hollowing Tool demonstration with hands on use.
- Sept. 13th The date has been changed from the 20th because of the plowing match.
- Oct. 18th Paul Ross from Chalet Woodcrafts will be demonstrating for us.
- Nov. 15th Elections / Programme not decided.

Possibly a demonstration and Show & Tell around A Christmas Theme would be fun and interesting for New members as well as the rest of us. Several members turning at the same time with other members circulating the room would work. Please bring ideas to the executive.
