December Meeting

The Goodie Table Yummm!

Ornament Swap

General Stuff

We had no business part of the meeting this month. In the spirit of the holidays we nibbled on all the wonderful treats provided (thanks to all for bringing) socialized and admired the Christmas ornaments all ready for swapping. And of course there was show and tell.

As you can see there was a wide assortment of items on display both Christmas themed and not. Beautiful stuff everyone. The raffle table had some interesting items as well. Congratulations to the winners even the mult item winners. Since this is my first newsletter I'm keeping it short so I can get it out. See you all at our next meeting January 17th where Peggy Warrick will be demonstrating pen turning. Check web site for cancellation due to weather on day of meeting
