

GBWG NEWSLETTER

August

Our August meeting had a small turnout but the good news was that at our meeting we had a new visitor. His name is Harry and he is fairly new to the world of turning. He was at the Welbeck Wood Show saw our booth met some of our members and decided to come to our meeting. So, having a presence at different events is helpful to let people know of our existence

Upcoming Events

The bravery bead campaign is still in full swing and more boxes have been created. Thanks to all who have spent time creating these works of art. They are a beautiful contribution to these kids lives.

Our participation at the Grey Roots Museum has been greatly appreciated by the Museum. Again thanks to all who have participated in this event spreading the word of our existence to the local community. It is another way for us to increase our exposure.

Also mentioned at the meeting were how the kids classes went and mentioned the wig stands for cancer patients.

check out our web site for more details and upcoming events.
